## Renovations Begin Soon... Pardon Our Dust.

Construction will soon begin at both our Main and Troy offices. To learn more about this renovation project, please consider the following questions and answers:

**Q:** Why does MSGCU need these renovations?

A: We've seen tremendous growth in our membership over the years. With so many new members to serve, we expanded our staff. More staff requires more room, which these renovations will provide. In addition to expanding back office space, we are using this opportunity to complete much needed updates and reconfigurations to the branch areas.

Q: How will service be affected at the Troy location?

A: Even though renovations begin this month, most construction will take place in back office areas for the remainder of the year. Therefore, members will be minimally impacted until construction in the branch area begins in early 2014. As we approach this time, we will include details on msgcu.org and in our January newsletter.

**Q:** How will service be affected at the Main location?

A: Construction on the branch area is expected to begin this month. The teller line will remain on the ground level, with little impact on members performing teller-based transactions. Member Service Representatives will move to the upper floor. Those needing the assistance of a Member Service Representative will have access to an elevator or stairs to the second level.

Q: Will the drive-thrus or ATMs be impacted?

A: No. Renovations will not impact drive-thru lanes or the ATMs. Members can continue to perform transactions using these services throughout the renovations.

We thank you for your patience as these renovations progress and assure you that every effort to minimize service interruptions is being taken. We will continue to keep members informed at msgcu.org. We look forward to sharing our newly renovated spaces with you in 2014.

#### Letter from the President/CEO

The wind has taken on a familiar autumn chill, and our kids are once again back in the classroom. We feel the excitement and energy that each new school year brings and, in this spirit, Michigan Schools and Government Credit Union is pleased to offer our Classroom Cash program again. Each year, this program awards grant dollars to innovative and compelling classroom projects proposed by our local teachers. But before these grants can enrich the lives of countless students, we need your help. Visit classroomcash.org and vote for your favorite classroom projects. With your help, an additional \$40,000 in grants will find its way back into local classrooms and enhance the learning experiences of our youth.

Keeping on point with enriching educational experiences, I am pleased to announce the launch of another scholarship program. This new program, the First Responder Scholarship, is a partnership between the Credit Union and Macomb and Oakland Community Colleges. By working with these institutions, we aim to provide scholarship dollars to students enrolled in their Police and Fire academies. We are honored to assist these future first responders, who will undoubtedly go on to serve as important pillars in our local communities.

In addition to the swift seasonal changes that come with Michigan weather, you'll also notice many changes taking place at our Credit Union. First, enhancements to our Online Banking system will be rolling out soon, and we've launched a sign-in system in each our of branches that will streamline service and minimize member waiting times. You can read more about these improvements near the bottom of this page.

Furthermore, significant renovations will take place at both our Main and Troy locations. These renovations come at a critical time for the Credit Union, which has seen an 18 percent growth in membership so far this year. With this incredible growth comes the need for additional staff and, ultimately, expanding our usable space. I want to thank you in advance for your patience during this exciting time. The renovations will begin this month for both offices, but each location will be impacted differently. You can read more about these renovations on the front page of this newsletter. Our goal is to complete these projects with as little impact on our members as possible. We will keep you well-informed throughout this process, so please stay connected to msgcu.org for the latest details.

On behalf of everyone here at MSGCU, we wish you a joyful holiday season and look forward to the many wonderful changes that will come in 2014.

Sincerely,

Peter D. Gates President/CEO

#### NOTICE OF ELECTION

Any Credit Union member who is interested in running for our Board of Directors for terms beginning in 2014 must submit a letter of interest to the Nominating Committee no later than November 7, 2013.

Please send letters to:
Michigan Schools
and Government
Credit Union

#### **Streamlined Service...Shorter Waits**

The next time you visit our branches, you may notice a new sign-in system for individuals wanting to sit down with a Member Service Representative. These members will be asked to sign in at a computer kiosk located in the lobby. Not only does this system secure privacy by allowing members to sign in discreetly, it will also reduce wait time by automatically notifying Credit Union employees when an individual is waiting.

This new process only applies to individuals that wish to sit down with a Member Service Representative.

Members who need to conduct business with a teller will not need to sign in and should proceed to the teller line.

We thank you for your patience as we introduce this new system and hope you enjoy the many benefits it will have on our service.

## Online Banking is Getting a Makeover

Beginning later this month, Online Banking will be easier to use and have even more features! Here's what's new:

Online Banking will have an improved layout for easier navigation.

You'll be able to access our social media feeds on your Online Banking homepage.

Members can soon easily switch between shared accounts without having to log out.

Visit msgcu.org to learn more about the Online Banking upgrade.

## **Building Stronger Communities** Through Continued Support

As we approach the upcoming holiday season, MSGCU will be collecting donations for the following causes:

#### **Operation Care Package**

Monetary donations will be collected to send care packages to our service men and women overseas. Packages are sent to soldiers in the greatest need and can contain hygiene items, local foods, clothing and more. Donations will be collected until October 31.

Know someone in the military that would like to receive a package? Stop by a branch to request a package for your soldier.

#### **Toys for Tots**

This charity collects new, unwrapped toys and distributes them to less fortunate children during the holiday season. To help this cause, the Credit Union will be collecting monetary and new toy donations from November 25 through December 10.

> Thank you for your support of these wonderful causes.

#### More than \$100,000 in scholarships!

MSGCU partnered with Macomb and Oakland Community Colleges to launch our brand new First Responder Scholarship, which will award \$20,000 to students enrolled in these institutions' Police and Fire academies.

The addition of this program, along with our three other scholarships, means that MSGCU now awards more than \$100,000 in scholarships each year.
